

DRESS CODE FOR MINISTRIES DURING EUCHARIST

Bishop Galeone has recently updated and published norms for Lay Liturgical Ministers. One aspect of that update concerns dress code. The Bishop requests that we assure the following as our practice.

Men:

Collared shirt, dress shoes and socks. No jeans or shorts.

Women:

Dress (must fully cover the shoulders), skirt, or dress slacks with dress blouse on top (must fully cover shoulders), and dress shoes or sandals. No jeans or shorts.

Notes:

1. Ethnic attire that is considered formal and appropriate for public occasions is acceptable for use in parishes where this may pose an issue.
2. For all liturgical ministers (including servers), shorts, jeans, athletic footwear and flip flops are **never** to be worn.
